Aspen Peak Magazine World Cup VIP House

On Saturday, November 27, 2010, *Aspen Peak* magazine, the U.S. Ski Team, Aspen Valley Ski & Snowboard Club, Dancing Bear Residences, Mason & Morse Real Estate and Gallo hosted 150 guests at the most notable event of the Aspen Winternational World Cup weekend. The celebration began in the Dancing Bear Wine room with a key note by US Ski Team President Bill Marolt. Sarah Schleper, the top US Ski Team female finisher, thanked donors for their local and national support. She noted that competitive skiing isn't only about winning but raising good kids with strong values. Sarah was joined by U.S. Ski Team athletes Laureene Ross, Megan McJames and Leanne Smith.

Additional attendees included U.S. Ski Team's top donors, AVSC Director Mark Cole, Tour de France commentator Bob Roll, AVSC sponsors Richard Edwards and Jackie Bucksbaum, and *Aspen Peak* VIPs, among others. Guests graced the rooftop lounge for fireworks over Aspen Mountain while enjoying Gallo's elite portfolio of wines: William Hill Estate Chardonnay, Bridlewood Estate, Pinot Noir, LAMARCA Prosecco and Familia Camerana Tequila Margaritas. Passed hors d'oeuvres were prepared by Brexi Brasseri and guests toured the Dancing Bear private residences. A two-night stay will be awarded to a winning guest.
